

GOLD STAR FS, INC.

The State of IL, House of Representatives, approved a bill (House Bill 771) allowing volunteer firefighters to purchase 4 vehicle tires every 3 years at a discounted rate – the same price as the State’s purchasing contract.

Our local fire department volunteers not only give their time and expertise, in some cases they respond in their own vehicles. House Bill 771 is an effort to help reduce the cost of extra wear and tear on the tires for our volunteer firefighters in the State of IL.

Gold Star FS is a proud supporter of all volunteer firefighters throughout our trade territory.
